COVID-19: Employer Policies Q&A

Resources from the March 12th Webinar

The evolution of the COVID-19 epidemic is constantly evolving. The information in this webinar is based on information known at this time. As you communicate with your employees and look to make policy updates, GBS recommends that you reference real-time data from resources such as the Centers for Disease Control and Prevention (CDC) or National Institute for Allergy and Infectious Disease (NIAID). Local health departments are also releasing up-to-date information pertaining to your specific region.
