Get Your Employees Enrolled & Engaged

Mastering Electronic Open Enrollment Education

Let’s talk trash.

WHO THREW THE TOMATO?

Benefits are only as good as the degree to which they are understood and utilized.

Utilize technology to reach your people and make sure your significant investment in benefits is recognized, acknowledged and understood.

Let's Meet Our Panel

Effective education is all about meeting your employees where they are at.

PANEL
QUESTION

From a 30,000-foot view, what are the benefits of utilizing digital education tools?

PANEL
QUESTION

How can we use digital tools to reach diverse employees in different demographics?

A jack of all trades is a master of none.

PANEL
QUESTION

What are the best ways to create hybrid solutions for companies that cannot go all digital?

AUDIENCE QUESTION

What have you done that has been successful?

How do you know it was successful?

Proactive vs. Reactive
